

## Student Success @ Illinois

Dear First-Year Freshmen,

Are you looking for opportunities to get involved and work together with peers and campus leadership to strengthen our community? If so, we have the perfect opportunity for you!

The Office of the Provost is now accepting applications for appointment of first-time new freshmen to the 2024-2025 Student Success Undergraduate Advisory Board.

The board is a group of diverse undergraduate students who volunteer to serve as advisors to the Office of the Vice Chancellor for Academic Affairs & Provost and [Student Success @ Illinois](#). They aim to accurately portray the current realities of the undergraduate experience by articulating the highlights and challenges of being a student at the university. As representatives of the undergraduate population at Illinois, their objective is to convey what could make a successful undergraduate student experience.

The Application can be accessed **here**: <https://publish.illinois.edu/studentsuccessboard/apply/>.

If you're selected to participate as a Board member, appointments will be for one full academic year. All applications are due **Friday, October 4, 2024, at 11:59 PM CDT**.

We hope you will consider applying because your voice is a critical part of the work that we do to ensure your success while at Illinois and beyond graduation!

Sincerely,

Kathy Martensen
